## NEWSLETTER

April 2021 Edition

### Kia ora koutou

The year is quickly passing us by with Autumn now upon us as the cooler nights start to set in. Firstly thankyou to all of our valued members who have continued to support us and the many new members who have joined our Cossie whanau. Just a reminder to those who have not yet paid their yearly subscription, you are no longer a financial member and unfortunately not eligible for our weekly membership draw until your membership is renewed. These can be paid over the bar and yes the fee is only \$30.

You would have also noticed our constant advertising around fundraising for our Entertainment and other needs. As you are aware we continue to manage the Club on a very limited 'shoe-string' budget (and at times no budget). Therefor in order to cover some of these costs we fundraise to subsidise where appropriate. A huge thankyou to all those who support these raffles and other fundraising efforts, without your support these events are not possible. And kei te pai if buying raffles isn't your thing you can always support the club in other ways such as attending the many awesome events we have lined up over the next few months.

### RESTAURANT

Our restaurant keeps growing in popularity with our team continually adding new variations to the menu. It is great to see so many families coming along and while we pride ourselves on being family friendly and cost friendly unfortunately we have no choice but to **raise our costs** as we can no longer sustain absorbing the recent prices - and National wage increases.

### RESTAURANT HOURS
