KIA ORA | GREETINGS

Firstly, thank you to all of those who are frequent patrons in our club. It's good to see familiar faces in the club, as well as new faces too, so keep inviting your friends and whanau to sign up as financial members.

NGĀ MIHI | THANK YOU

We would like to thank our club secretary, Wini Mitai and one of our very loyal members, Keith Adam for holding the fort in the kitchen for the past few months. It was a big job and you both did a great job serving our members with a smile.

WHARE KAI | RESTAURANT

Welcoming our new kitchen team, Ktown Catering, who joined us this month. We wish you and your team all the best, Maria.

MEMA | MEMBERS

Memberships are now due. Please update your membership subscriptions by the end of April. This can be paid and updated at the bar. If you must update any details, please complete a new application form so we can update our database. Application forms can be found in the foyer.

WORKING BEE

Huge thank you to those who made it to our working bee a few weeks ago. We did get a lot of work done, although we would like to plan another working bee to finish off a couple of jobs. Keep an eye out for dates, we would for more of our members to come along and help to get our club in tip top shape.

We managed to clear out a lot of items from our storage room which are now available to you, for a koha. At the back end of our dining room, we have some tables set up. All items are as is, where is. They have been in storage for some time so may need a clean. Please see our lovely bar ladies to hand in your koha and bring your own bag or box for your goodies.
