

"The club that gives you more"

KAWERAU COSSIE CLUB NEWSLETTER

Kia ora to all our members.

Firstly, thank you to all of those who are frequent patrons in our club. It's good to see familiar faces in the club, as well as new faces too, so keep inviting your friends and whanau to sign up as financial members.

UPDATES FROM THE COMMITTEE

Funding

As you know, lighting, heating, and cooling have all been an issue for a long time in our building. Recently we applied for funding to have these all replaced but unfortunately our application was unsuccessful.

We would like to give a huge thank you to J. A. Russell who have given us an awesome deal to replace some of our lighting. We are slowly but surely getting there. Thank you so much Terry for hooking this up!

Unfortunately, we are still in need of heating and cooling. With summer on our doorstep, we know how this can affect our club and would like to get on to this ASAP. So, we are now turning to our members for help. If you are someone who can help in any way, please let us know. Whether it be in a way of fundraising ideas, funding/grants or if you work in this field and know some people. We would appreciate your help.

Mask wearing in the club

We have noticed that mask wearing is not being adhered to by a lot of our customers. Please remember that masks must be worn on entry and whilst moving around the club. Once you are seated at your table,

you can remove your mask. Please remind your visitors of the club rules too.

A MESSAGE TO OUR MEMBERS

Please remember to carry your membership card with you whilst on the club premises. We are asking all our members to swipe membership cards on arrival, as these sign you into the club. We still require you to **scan the Covid-19 QR code or sign in manually** if you don't have the Covid-19 app on your phone. This is for contact tracing purposes.

CLUB VISITORS

ALL visitors to the club must sign in at the front desk in the lobby, whether you are dining in the restaurant or on the bar side, please sign your guests in and ensure they scan the Covid-19 QR code. We welcome our regular visitors to become members so they too can enjoy the benefits of a financial member, so please encourage your friends to join the club.

CHRISTMAS BLACKBOARD SPECIALS

During the week of Christmas (Tuesday 21st December to Friday 24th December) we are running a Christmas dinner special. Just a little something special for those who are unable to travel due to Covid restrictions. This will be additional to our usual menu.

COSSIE CLUB OPERATING HOURS

As some of you may know, we don't have set closing times as our club can be quiet on most days and it's not worth staying open for too long if no one is there. However, we do have set opening times. As much as we would love to be open 7 days, we need to see more of you, our members.
