

KAWERAU COSMOPOLITAN CLUB

October News 2020

To all our members

What a roller coaster we have had these past few months with yet another minor Covid interruption. However, with big smiles and a strong commitment to keeping this Club of ours running we carry on.

A couple of changes have been made and will continue to be made to ensure we keep making the progress we need to keep us financially viable, however we will endeavour to do this while still keeping the integrity of what a Club is.

We have had a number of events such as our Karaoke Comp which was a great success, and now we move into the next few months with some amazing entertainment lined up. As this is a members' club it is only as successful as the members who patronize it. So get yourself along to the Club at least once or even twice a week, use it or lose it.

AGM UPDATES

- We were very disappointed by the lack of interest in members standing for the Committee, as a result of this some of the Committee who were looking at standing down re-stood for the sake of insuring that the fight to keep the Club open remains.

Two remits were submitted and passed

- The wearing of hats within the Club is now allowed at all times
- A minimum of 6 times throughout the year the Club will close earlier on a Saturday and reopen for a ticketed only event

Both remits were discussed and through majority votes were passed.

It was also discussed about the Gaming during ticketed events. We make very little through our gaming because we only receive a percentage of the profit made. To ensure focus remains on the

bar and not refilling hoppers the Gaming machines will not be available during ticketed events, when both sides of the club are being used.

RESTAURANT

With the warmer weather our restaurant side has been reopened. There are a number of menu changes occurring with specials being held on certain nights, keep an eye out on our Facebook page, we will also have a restaurant blackboard displaying our specials.

Just a reminder if you are looking for a friendly venue to hold your Christmas Function give Annabel a ring to see what we have available. Our dates are quickly filling up so be in early to ensure you don't miss out.

MEMBERSHIP

For those who have not renewed your membership please do so as we have a number of things planned over the next few months, with some of those being restricted to members and limited member guests. Renewal is currently \$20, come in and see our friendly bar staff.

ALL Visitors to the Club must sign in, this is regardless of if you are playing the machines or even using the restaurant. We do welcome everyone, however for those who have been many times before it is time that you become a member.

DRESS CODE

We do have a dress code which will be monitored more frequently. All we ask is that you have a tidy standard of dress that covers the parts of your body that not all people want to see. We are a Members Club, not a Pub. Check the dress code standards in the lobby.

FUNCTION CHANGES

While we want everyone to enjoy themselves at the many events we hold we have had to introduce a couple of security measures. So due to some people bringing alcohol into the Club, on entry to any of our functions, please do not be offended if you are asked to show us the contents of your bags. ID checks at the door may also be asked for.
